Short Description

Awesome Wonder Bar Vintage Cocktail Picks Bartender In Original Box

Description

This 6" tall Wonder Bar bartender is ca 1930's with the original box and I'm fairly certain it has never been used! He has a black mustache and black lapels and looks almost identical to the other one I have listed from Syrocco but this one is very heavy metal. The cocktail picks have tops shaped like miniature liquor bottles, a cocktail shaker and cups. The bottles even have labels on them and are in perfect shape. It is in excellent shape with no wear, the original felt on the bottom, only a little discoloration to the box.
