

# Vintage Bakelite Olive with Pimento Topped Olive Grabber

**Availability:** In Stock

**Price:** \$88.00

## Short Description

Olive topped olive grabber in great shape.

## Description

This is a spring loaded olive grabber that when the top is pushed down the tongs appear to pick out your martini olive or onion if you are making a Gibson. The top is a replica of an olive stuffed with a pimento and all of it is in good shape and probably ca 1940's.
