

Vintage Bakelite Olive with Pimento Topped Olive Grabber

Availability: In Stock

Price: \$88.00

Short Description

Olive topped olive grabber in great shape.

Description

This is a spring loaded olive grabber that when the top is pushed down the tongs appear to pick out your martini olive or onion if you are making a Gibson. The top is a replica of an olive stuffed with a pimento and all of it is in good shape and probably ca 1940's.
