

Stieff Sterling Silver Cocktail Shaker Trophy 1959

Availability: In Stock

Price: \$1,388.00

Short Description

Shiny 1959 Stieff cocktail shaker

Description

This is a beautiful sterling silver cocktail shaker manufactured by Stieff. It apparently was awarded as trophy from ATA which I believe is the American Trapshooters Association. It is a large shaker weighing in at 14.2 ounces and in almost perfect condition, there is a small dent to the pour spout under the pour spout cap as shown.
