Availability: Out Of Stock

Price: \$585.00

Short Description

Great shape for a cocktail shaker.

Description

This is a great cocktail shaker made by Hersey Glass with cut glass patterns around the middle and bottom of the body. It consists of the bulbous body, a strainer and the very rare horse head stopper and is 14" tall. It is in great condition with clear glass and no chips or cracks. There is an inscription on the bottom of the stopper as shown.
