### Description

This is a cocktail shaker set with shaker, 6 matching cups, the original box and original flyer. It is designed as a bell and it actually has a clapper and rings like a real bell when empty. According to the original box it is made by Celebrity House Inc. From Buffalo, NY. The handle screws off to add the ingredients and the end of the handle turns to strain the ice and pour. It is in mirror like shape, pretty much like new, probably never used. The insides of the cups could use a little polishing.
