

## Vintage Rockwell Sterling Silver Ducks Overlay Cocktail Shaker set, never used

**Availability:** In Stock

**Price:** \$189.95

### **Short Description**

Great looking and shiny.

### **Description**

This vintage cocktail shaker set is made by Rockwell “Sterling Silver Non-Tarnish”, ironic since it does have some slight tarnish but no wear and never used. This set consists of a cocktail shaker, a pitcher and six glasses all in perfect shape and never used. Many of the pieces still have the original labels. The sterling overlays depict ducks in flight and marshlands.
