Mirro Cocktail Shaker and Musical Decanter Set & Shots

Availability: In Stock

Price: \$99.95

Short Description

Great fun cocktail portable bar.

Description

This is a Mirro cocktail shaker, two musical decanters, four shot glasses and a jigger all in a great looking portable bar in great shape!

The metal is aluminum and the set has very little or no use. Each of the decanters has a bottom music box that plays "How dry I am" when lifted up. The cork stoppers aren't in the best shape but still fit.
