

Sterling Overlay Cobalt Cocktail Shaker

Availability: In Stock

Price: \$325.00

Short Description

Fox Hunt themed Cocktail Shaker with sterling silver overlay.

Description

This is a very desirable, ca 1930s, rare cobalt glass Cocktail Shaker! It is 11 1/2" tall, marked sterling with a sterling silver overlay. The overlay is that of an English fox hunt scene. The glass is perfect with no chips or cracks. The only flaw at all is that there are some smaller stress splits in pour spout cap.
