Short Description

Great set with shaker, glasses and tray.

Description

This is ca 1950's, Gay Fad Mid-Century Can Can Girl Cocktail Shaker set with four glasses and a tray.

Great design Cocktail Shaker set, the shaker with a Can Can female sitting at the bar on one side and four bartenders singing and ready to serve you on the other side. It also has on the side of the shaker a measuring scale in ounces - starting at 1 ounce all the way to 29 ounces to help make cocktail preparation easy and fun.

The cocktail shaker features nice and bright colors and a bright ruby red pour spout.

There are two matching Collins glasses, two cocktail glasses and a red tray with recipes on it. Everything is in great shape with no chips or cracks other than the tray that has some corrosion as shown.
