

Heisey Sterling Orchid Cut Glass Cocktail Shaker

Availability: In Stock

Price: \$433.00

Short Description

Sterling top and bottom and very elegant!

Description

This is a beautiful 12" cocktail shaker ca 1940's made by Heisey Glass with a very intricate Orchid etched pattern. The top cap is encased in sterling, not applied to the glass but actually capped. The bottom pedestal is also sterling and in stepped pattern with it marked on the bottom with hallmarks and "Sterling". It consists of the body the strainer and the top, it is all in perfect shape!

I have two of these and if you want them both then the price is \$725.00, a savings of \$141.00.
