Short Description

Beautiful Vintage Bakelite Cocktail Pick Bar Holder with Box

Description

This beautifully swirled, brown Bakelite or Catalin is in great shape with the only flaw being a small crack in the top left as seen in the last picture. It has six picks with four of them topped with booze bottles and all the labels are intact, one with a cup topper and one with a cocktail shaker. It also has it's original box, it is the "Deluxe Wonder Bar" model.
