### **Short Description**

Great design in a vintage cocktail shaker made by Bruce Hunt In 1949 with a black cap.

### **Description**

This is a great looking streamlined cocktail shaker. According to Steve Visakay's great book it's Manufactured by Bruce-Hunt, Inc. 1949 No. Cicero Ave, Chicago with the Bakelite black top. It's in great shape, clean and shiny inside and out with a very shallow dent that I tried to photograph.
