Short Description

Heisey Glass Sterling Trim Vintage Cocktail Shaker

Description

This is probably one of the most beautiful and elegant vintage cocktail shakers out there! It is made by Heisey Glass Company in what I believe is the Orchid glass pattern. It is the shooter version and is three piece with the shaker body, the strainer and the top. The top is capped with sterling silver, not overlaid, but actually capped and all three pieces are in excellent shape. The bottom of the shaker has a beautiful sterling silver base and it is slightly dented giving it a tendency to rock slightly when moved.
