### **Description**

This is a ca 1930s Mappin & Webb English cocktail shaker in like new condition, ready to use or display. It has 6 recipes embossed around the body along with figuratively dancing bodies, very cool. It is a nice, heavy shaker with a decorative removable shaker strainer under the cap. There are no flaws at all but the shaker cap top has a nice looking monogram of the letter "B". Mappin markings stamped on the bottom as shown.
