

Six Colorful Cocktail Martini Glasses with Chrome Stems

Availability: Out Of Stock

Price: \$90.00

Short Description

Six differently colored cocktail glasses.

Description

This set is just gorgeous with Matching glasses in ruby, green, amethyst, pink, cobalt and amber. They are a high quality in a martini cocktail shape with ribbed glass. The stems are a nice heavy metal, chrome plated and the glasses screw into them. They look never used and are in perfect shape to the glass and the chrome. There is no makers mark that I can see.
