

Two Beautiful Vintage Hawkes Cocktail Shakers Golf & Flowers

Price: \$345.00

Short Description

Two Hawkes Cocktail shakers sharing one top, the nineteenth hole golf and flowers.

Description

Two vintage Hawkes Glass company cocktail shakers. There is only one top and cap but it fits both so you can choose what shaker to use, when. One is a wheel cut glass depicting a golf 19th hole complete with the clubhouse holding the 19th hole flag with the corresponding landscape and the other a floral pattern. They are both in great shape with no chips or cracks with a couple of stamps "Hawkes". The silver plate top has wear as seen in the pictures and a small dent or two but really fun.
