

Vintage Cambridge Glass Etched Glass Cocktail Shaker

Availability: In Stock

Price: \$165.00

Short Description

Beautiful patterned glass shaker

Description

This is a very nice looking etched glass cocktail shaker by Cambridge. There are no chips or cracks to any of the two pieces, the main body and the top. The top is rotated for shaking and then rotated to the pour holes for pouring your cocktail. There is some spotting to the inside as can be seen in the pictures.
