Availability: In Stock

Price: \$355.00

Short Description

Great set in original box, never used.

Description

This is a limited edition Bombay Sapphire set designed by New York Architectural designer Harry Gutfreund in 2001. It is in the original very large box and consists of 2 cocktail shakers, a decanter, 5 votive candle holders and numerous cocktail picks. It is all in new, unused condition with maybe very slight wear to the box and foam holder. It is super unique for that Bombay Sapphire martini lover of yours.
