

Tiffany Sterling Silver Vermouth "Oil Can"

Availability: In Stock

Price: \$648.00

Short Description

Luxury and elegant Tiffany

Description

This Tiffany piece is just gorgeous and solid sterling. It is shaped like a little oil can but made to dispense vermouth a drop or two at a time, just great for those that like their martinis dry. It is marked Tiffany & Co. Sterling and it even has the little cap for the top. It is shiny and in great shape other than a small dent on one side.
