

Golf Bag Cocktail Shaker by International Silver

Availability: In Stock

Price: \$3,600.00

Short Description

Super desirable golf bag cocktail shaker. My collection

Description

This awesome golf bag shaker is made by International Silver Company. It is ca 1930s and hard to find especially in this condition. It is the earlier version with a cork lined lid and spout cap, very detailed with the leather grain, stitching, straps, handles and all with the great golf ball topper.
