

## Moonface Black Bakelite Cocktail Shaker

**Availability:** Out Of Stock

**Price:** \$765.00

### **Short Description**

Great for a couple of cocktails. Rare!

### **Description**

Great looking and great condition. This is the very hard to find "Moonface" cocktail shaker with the black colored bakelite lid. Twist it one way to shake and twist the other way to open up the holes for pouring, the mouth serves as the strainer while the eyes allow air in for a smooth pour. Small dent on bottom edge.
