

Pottery Barn Locomotive Martini Cocktail Shaker

Availability: Out Of Stock

Price: \$155.00

Short Description

Woo, Woo Train is coming. And hopefully Cocktails Too!

Description

A Beautiful Locomotive Engine Martini Cocktail Shaker, mint, never used condition. This is around 10 years old and once again in new condition! The body is the shaker holder, the steam stack the glasses, very detailed. According to Pottery Barn's description “

Disguised as a steam locomotive, this ingenious seven-piece cocktail shaker set includes a smokestack composed of four shot glasses, plus a shaker, all on rolling wheels.

- Shaker and shot glasses made of stainless steel.
- Train body and wheels made of cast aluminum with a nickel-plated finish.
- Set of 6 includes train section, shaker and four shot glasses.”
- The last photo is a stock photo
